# HARVEST TIME

This is a beautiful time of year. The weather is getting cooler and the autumn leaves are changing colors. Pumpkins and apples grace our shops and the produce sections in our stores. Fall is my mother's favorite season. She enjoys all these things, but she really likes to see farmers in the fields, picking their crops. She likes fall because it's harvest time.

It's also harvest time in the kingdom of God. Jesus said, 'Look on the fields that they are white for harvest.' I believe that Jesus meant that there were people ready to trust in Him and receive new life and forgiveness of sin.

We have seen a harvest of souls this year at Daviess County Detention Center. 197 inmates have said they have trusted Christ for salvation. 92 have indicated

they have recommitted their lives. 69 have been baptized in water. 9000 Bible studies have been completed. We give God praise. Thank you for your prayer and financial gifts. You have a part in what God is doing in the lives of men and women behind bars.

This year, Good News has changed our fiscal year to run from July through June. Currently we are over \$4800 in the red in our budget. Would you be able to help us with a gift? We are also in need of more monthly donors. If you wish to send a gift to the ministry, checks may be made payable to "Good News Jail & Prison Ministry" and in the memo notation, write the

jurisdiction number J47, Daviess County, Kentucky. A return envelope has been provided for you.

Thank you again for your prayers and partnership in this ministry.
